From The Senior Surgeon in Mysore
Letter no. C. 1899-6 S 28.2.31.
re. The construction of compound wall & a well for the L.F. dispensary at Devarayasamudra.

Points for orders:

1) Construction of a compound wall for the L.F. dispensary at Devarayasamudra at a cost of about Rs 500/-

2) Sinking of a well for the above at a cost of about Rs 230/-

Source for meeting this charge has not been pointed out. The Finl. Secy. may perhaps be consulted.

7.3.31

The balance of the cost of the building (amounting to about Rs 1000) shd have been met by Govt under the G.O of 17.11.1924 (M.A.). It is now reported that the Govt share of the cost was only Rs 158, & the S.S. says that Rs 500 required for the compound wall & the well may be contributed by Govt.

The Chief Engineer may be consulted whether this amount can be made available.

CHIEF SECRETARY'S OFFICE
28 FEB. 1931

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore.

SIR,

I have the honour to state that the Board of Visitors to the Parameswara Dispensary, Devarayasamudram, have more than once urged the necessity for a Compound Wall and a well for the Local Fund Dispensary at Devarayasamudram. On a reference made to the Executive Engineer, Kolar Division, regarding this, he reports that Mr. Rama Iyer, the executor of the estate of the late Sri Subbamma, has agreed to construct a compound wall, if a sum of Rs 500/- is given to him from the Government.

Government were pleased to sanction the construction of a dispensary at this place in their order No. L. 1733-37/med 142-22-2 dated the 31st August 1923, in which it was stated that the donation of Rs 5000/- will be supplemented by the District Board, Kolar, and the Government to the extent of Rs 1000/- each, if the estimate was for Rs 7000/-.

It is now ascertained that the actual expenditure on these buildings was Rs 6405/- which was made up as follows:-

Sri Subbamma's donation		Rs 5000-0-0.
Interest on this amount		247-8-0.
District Board contribution		1000-0-0.
Government contribution		158-0-0.
	Total	Rs 6405-8-0

From this it will kindly be seen that out of a promised contribution of Rs 1000/- the Government have only paid Rs 158/-. The Execituve Engineer now recommends that a sum of Rs 500/- may be paid to Mr. Rama Iyer, who is willing to construct a compound Wall and sink a well which is estimated to cost about Rs 2302/-.
